

MISTRAS Group, Inc. Announces Conference Call for August 11, 2010 to Discuss Fourth Quarter and Year End Results

PRINCETON JUNCTION, N.J., Aug. 4, 2010 (GLOBE NEWSWIRE) -- MISTRAS Group, Inc. (NYSE:MG) will have a conference call on Wednesday, August 11, 2010 at 9:00 am Eastern Time to discuss its fourth quarter and year end results for fiscal year 2010, which ended May 31, 2010. A press release with the fourth quarter and year end results will be issued after the close of the market on Tuesday, August 10, 2010.

The call will be broadcast over the Web and can be accessed on MISTRAS' Website, www.mistrasgroup.com. Individuals in the U.S. wishing to participate in the conference call by phone may call 800-901-5259 and use confirmation code 34721602 when prompted. (The International number is 617-786-4514.) Those who wish to listen to the call later can access an archived copy of the conference call at the MISTRAS Website.

MISTRAS is a leading one-source global provider of technology-enabled asset protection solutions used to evaluate the structural integrity of critical energy, industrial and public infrastructure. MISTRAS combines industry-leading products and technologies, expertise in mechanical integrity (MI) and non-destructive testing (NDT) services and proprietary data analysis software to deliver a comprehensive portfolio of customized solutions, ranging from routine inspections to complex, plant-wide asset integrity assessments and management. These mission critical solutions enhance customers' ability to extend the useful life of their assets, increase productivity, minimize repair costs, comply with governmental safety and environmental regulations, manage risk and avoid catastrophic disasters. Given the role MISTRAS' services play in ensuring the safe and efficient operation of infrastructure, MISTRAS has historically provided a majority of its services to its customers on a regular, recurring basis. MISTRAS serves a global customer base of companies with asset-intensive infrastructure, including companies in the oil and gas, fossil and nuclear power, public infrastructure, chemicals, aerospace and defense, transportation, primary metals and metalworking, pharmaceuticals and food processing industries.
